

**INSTITUTE OF GEOLOGICAL SCIENCES, POLISH ACADEMY OF SCIENCES ANNOUNCES THE  
COMPETITION FOR THE POSITION OF THE RESEARCH ASSISTANT/ADJUNCT**

INSTITUTION: Institute of Geological Sciences, Polish Academy of Sciences (IGS PAS)

LOCATION: Warsaw, Poland (U-Series Laboratory)

POSITION: research assistant/adjunct

DISCIPLINE: geology

POSTED: 28.10.2019

EXPIRES: 06.12.2019

WEBSITE: [www.ing.pan.pl](http://www.ing.pan.pl)

KEY WORDS: U-series geochemistry, paleoenvironment, mass spectrometry

**DESCRIPTION OF THE POSITION**

A successful candidate will be working in the U-Series Laboratory in the projects focused on palaeoenvironment reconstructions or environmental studies. The position will cover laboratory activities both analytical and technical, organization and workflow issues, grant applications, cooperation with other team members, scientific results interpretation and writing scientific publications.

The employment starts not later than on December 20<sup>th</sup>, 2019.

**REQUIREMENTS**

1. MSc or PhD degree in Earth Science, physics, chemistry, or in a related field;
2. Record of peer-reviewed papers;
3. Strong record of presentations at international conferences;
4. Proficiency in English, desirable at least basic Polish;
5. Advanced knowledge and hands-on experience in laboratory or spectrometric measurements;
6. Strong motivation for professional development in the geochronology and geochemistry field and to work in a team.

IT and programming experience will be an advantage.

**REQUIRED DOCUMENTS**

1. Application/motivation letter covering the required skills and experience;
2. Curriculum vitae;
3. Copy (scan) of the MSc/PhD diploma or any other document confirming the obtained MSc/PhD level (required at the date of employment);
4. Other evidences of qualifications (optional).

**EVALUATION PROCEDURE**

The position is to be filled not later than on the December, 2019.

Strong record of research activities in U-series geochemistry, geochronology, mass spectrometry and laboratory experience relevant to the project will be preferred criterion for the successful candidate selection. The applications will be assessed by an independent evaluation commission, whose responsibility will be to rank the candidates according to their merits and potential. Based on this assessment, IGS PAS will sign the contract with the successful candidate.

**CONTACT**

Please send your application documents (competition code LUT1) by email to: [luiza.galbarczyk@twarda.pan.pl](mailto:luiza.galbarczyk@twarda.pan.pl) and [e.gogacz@twarda.pan.pl](mailto:e.gogacz@twarda.pan.pl) by 06.12.2019. We will contact only the selected candidates not later than 13.12.2019.

**Please read the GDPR information and add the information and consent clauses to the application (available on the website <http://www.ing.pan.pl>)**

For additional information contact Dr. hab. Michał Gąsiorowski: [mgasior@twarda.pan.pl](mailto:mgasior@twarda.pan.pl).
